ORDER

Larue County Water District No. 1 ("Larue District") has requested a deviation from 807 KAR 5:001, Sections 6 and 11. Section 11(2)(a) requires the filing of a financial exhibit with an application made pursuant to KRS 278.300. Section 6 requires that this financial exhibit cover "operations for a twelve (12) month period . . . ending not more than ninety (90) days prior to the date the application is filed." Larue District has provided its financial statements for calendar year 2011 and represents that there has been no change that is material in nature in its financial condition or operation since the publication of these statements.

Finding that Larue District has demonstrated good cause to permit its deviation from 807 KAR 5:001, Sections 6 and 11, the Commission HEREBY ORDERS that:

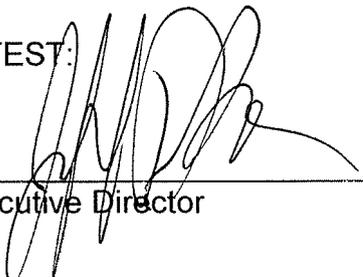

1. Larue District's motion to deviate from 807 KAR 5:001, Sections 6 and 11, is granted.
2. Larue District's application is considered filed as of the date of this Order.

3. Nothing contained in this Order shall preclude the Commission from requiring the production of information regarding Larue District's financial condition or operations since December 31, 2011.
