COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION TO  
MEADE COUNTY RURAL ELECTRIC COOPERATIVE CORPORATION

Meade County Rural Electric Cooperative Corporation ("Meade County"), pursuant to 807 KAR 5:001, is to file with the Commission the original and ten copies of the following information, with a copy to all parties of record. The information requested herein is due no later than 14 days from the date of issuance of this request. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and

accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Meade County shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Meade County fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Provide all the 30-day voltage charts from the Battletown substation on the three-phase circuit serving Complainant for the period commencing from the time Meade County was first contacted by the Complainant in this case or the Complainants in Case No. 2012-00311<sup>1</sup> or Case No. 2012-00312,<sup>2</sup> whichever is the earliest, about the voltage issues.

2. Provide all the voltage data (in Excel format) from Meade County's monitoring equipment that was installed as a result of this case since February 11, 2013.
