

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST OF THELMA WASTE CONTROL,)
INC. FOR DEVIATION FROM 807 KAR 5:006,)
SECTION 4(2)(a), TO PERMIT THE FILING) CASE NO. 2013-00059
OF A FINANCIAL AND STATISTICAL)
REPORT BY NON-ELECTRONIC MEANS)

ORDER

On February 13, 2013, Thelma Waste Control, Inc. ("Thelma Waste") applied to the Commission for a deviation from 807 KAR 5:006 to permit the filing of its financial and statistical report for calendar year 2012 by paper filing in lieu of using the Commission's electronic filing system. Section 4(2)(a) of that regulation requires a utility to submit its annual financial and statistical report using the Commission's electronic filing system.

Having reviewed the request and being otherwise sufficiently advised, the Commission finds that the requested deviation should be granted. Thelma Waste is a small, non-profit corporation with 45 customers and limited financial resources. It lacks a computer and internet service. Requiring electronic filing of the annual financial and statistical report would pose an undue hardship on the utility.

IT IS THEREFORE ORDERED that:

1. Thelma Waste's request for a deviation from 807 KAR 5:006, Section 4(2)(a), is granted.

2. Thelma Waste is permitted to file a paper copy of its financial and statistical report on Commission-provided forms in lieu of using the Commission's electronic filing system.

3. This case is closed and shall be removed from the Commission's docket.

By the Commission
