

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF WEST SHELBY	)	
WATER DISTRICT FOR PURCHASED	)	CASE NO. 2013-00157
WATER ADJUSTMENT	)	

ORDER

On April 24, 2013, West Shelby Water District (“West Shelby”) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.<sup>1</sup>

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. West Shelby purchases water from Louisville Water Company (“Louisville”) and Shelbyville Municipal Water and Sewer Commission (“Shelbyville”).
2. Louisville notified West Shelby that, effective July 1, 2013, Louisville will increase its wholesale water volumetric rate to West Shelby from \$1.99 per 1,000 gallons to \$2.05 per 1,000 gallons, and its monthly meter charge will increase from \$367.65 to \$402.80.
3. West Shelby proposes to apply a purchased water adjustment factor of \$0.07 per 1,000 gallons to its rates.
4. West Shelby proposes to adjust its rates on July 1, 2013.
5. During the 12 months ended February 28, 2013, West Shelby purchased 219,653,000 gallons of water from Louisville and 64,895,300 gallons of water from Shelbyville. It sold 260,248,300 gallons of water during the same period.

---

<sup>1</sup> KRS 278.015; 807 KAR 5:068.

6. West Shelby incorrectly calculated the purchased water adjustment factor. The correct purchased water adjustment factor, as calculated in Appendix A to this Order, is \$0.06 per 1,000 gallons. This factor is fair, just, and reasonable and should be approved.

7. The rates set forth in Appendix B to this Order are fair, just, and reasonable and should be approved for water service that West Shelby renders on and after July 1, 2013.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment factor of \$0.07 per 1,000 gallons and West Shelby's proposed rates are denied.

2. The purchase water adjustment factor of \$0.06 per 1,000 gallons is approved.

3. The rates set forth in Appendix B are approved for service that West Shelby renders on or after July 1, 2013.

4. Within 20 days of the date of this Order, West Shelby shall file with the Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets showing the approved rates, with an effective date of July 1, 2013.

By the Commission
