

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF DUKE ENERGY)	
KENTUCKY, INC. FOR THE ANNUAL COST)	CASE NO. 2012-00495
RECOVERY FILING FOR DEMAND SIDE)	
MANAGEMENT)	

ORDER REGARDING REQUEST FOR CONFIDENTIAL TREATMENT

On February 15, 2013, Duke Energy Kentucky, Inc. ("Movant") moved, pursuant to 807 KAR 5:001, Section 13, that certain information filed with the Commission be afforded confidential treatment and not be placed in the public record subject to public inspection.

In support of its petition, Movant states that the information it is requesting to be held confidential is contained in Movant's Response to Commission Staff's Second Request for Information, Item No. 1(b). The information is more particularly described as a vendor contract which contained commercially sensitive information related to pricing, terms, and conditions in connection with services provided by the vendor to Movant's regulated utility affiliates in the Carolinas and Ohio.

Having carefully considered the petition and the materials at issue, the Commission finds that the information for which Movant seeks confidential treatment meets the criteria for confidential treatment and is exempted from public disclosure pursuant to KRS 61.878(1)(c)(1), and 807 KAR 5:001, Section 13.

IT IS THEREFORE ORDERED that:

1. Movant's motion for confidential protection is hereby granted.
2. The information for which Movant seeks confidential treatment shall not be placed in the public record or made available for public inspection until January 1, 2016, or until further Orders of this Commission. At the end of this period, the materials shall be placed in the public record. The Movant may request that the materials continue to be treated as confidential, but must demonstrate that the materials still fall within the exclusions established in KRS 61.878.
3. If Movant objects to the time limits that the Commission has placed on the confidential treatment for the materials in question, it must seek either rehearing pursuant to KRS 278.400, or judicial review of this Order pursuant to KRS 278.410. Failure to exercise either of these statutory rights will be deemed as agreement with the Commission's determination of the period for which the materials are afforded confidential treatment and will require Movant to demonstrate a change in circumstances in any subsequent motion for continued confidential treatment of the materials in question after the end of the period set forth in ordering paragraph 2.
4. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).
5. Movant shall inform the Commission if the information in question becomes publicly available or no longer qualifies for confidential treatment.
6. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, the Movant shall have 20 days from

receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Movant is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.

7. The Commission shall not make the requested materials available for inspection for 20 days following an Order finding the materials no longer qualify for confidential treatment in order to allow Movant to seek a remedy afforded by law.

By the Commission
