SEWER SERVICE	)	

ORDER

On March 3, 2014, Jessamine-South Elkhorn Water District moved for an extension of time to file its responses to the February 18, 2014 Request for Information filed by Commission Staff. The responses were due on March 5, 2014. Movant requests that it have up to and including March 24, 2014, to file the responses.

In support of its motion, Movant states that its preparation of a Certificate of Public Convenience and Necessity application to be filed in early March prevented timely compliance with the Request for Information.

Having considered the motion, the Commission finds that the motion for an extension should be granted.

IT IS THEREFORE ORDERED that:

1. Movant's motion for an extension to respond to the February 18, 2014 Request for Information filed by Commission Staff is granted.
2. Movant shall file its responses to the February 18, 2014 Request for Information no later than March 24, 2014.
