ORDER

The Commission, having reviewed its March 5, 2014 Order, finds that there is a conflict between finding paragraph 7, which states that the rate in the Appendix to that Order should be “approved for service rendered on and after March 11, 2014,” and Ordering paragraph 1, which declares that the rate in that Appendix is “approved for bills rendered on and after March 11, 2014.” Due to the unexpected and significant increase in gas costs, Western Lewis-Rectorville Water and Gas District requested that the new rate be approved for bills rendered, and the Commission approved the new rate for bills rendered. To correct the error in finding paragraph 7 of that Order, the Commission, on its own motion, HEREBY ORDERS *Nunc Pro Tunc* that:

1. The finding in paragraph 7 of the March 5, 2014 Order is amended by deleting the phrase “for service rendered,” and inserting in its place the phrase “for bills rendered.”
2. All other provisions of the March 5, 2014 Order shall remain in full force and effect.
