ORDER

On February 19, 2014, Northern Kentucky Water District (“Northern District”), by counsel, filed a motion requesting an extension of time, from February 20, 2014, to March 22, 2014, to file its customer application for service forms which were required to be filed by the Commission’s January 31, 2014 Order in Case No. 2013-00309.<sup>1</sup> The motion also requested a conference with Commission Staff under the meeting tracking procedures to discuss issues related to the customer application for service forms. Northern District filed its motion under the caption of Case No. 2013-00309, but since that case was closed and removed from the Commission’s docket pursuant to the terms of the January 31, 2014 Order in that case, this instant case is opened to rule on the motion.

The Commission, having considered Northern District’s motion and finding good cause, HEREBY ORDERS that:

1. Northern District shall file its customer application for service forms no later than March 22, 2014.
