COMMONWEALTH OF KENTUCKY BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

2014 JOINT INTEGRATED RESOURCE PLAN)	CASE NO.
OF LOUISVILLE GAS AND ELECTRIC COMPANY)	2014-0013
AND KENTUCKY UTILITIES COMPANY)	

ORDER

On April 21, 2014, Louisville Gas and Electric Company and Kentucky Utilities Company (collectively "LG&E/KU") filed with the Commission their 2014 Joint Integrated Resource Plan ("Joint IRP"). Pursuant to an Order issued on May 30, 2014, the Commission delayed the issuance of a procedural schedule until the abeyance period had expired in Case No. 2014-00002, involving LG&E/KU's request to construct new generating facilities at the Green River and E.W. Brown Generating Stations. Case No. 2014-00002 was held in abeyance due to the potential departure of nine municipal wholesale customers. The Commission's decision to delay issuing a procedural schedule for this matter was based on the potential impact that the departures of the municipal customers could have on LG&E/KU's joint load forecast included in the Joint IRP.

The Commission notes that the abeyance period in Case No. 2014-00002 has expired and the Commission's investigation in that matter has resumed. The

¹ Case No. 2014-00002, Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Certificates of Public Convenience and Necessity for the Construction of a Combined Cycle Combustion Turbine at the Green River Generating Station and a Solar Photovoltaic Facility at the E.W. Brown Generating Station (Ky. PSC filed Jan 17, 2014).

Commission further notes that, based upon discussions at the September 15, 2014 informal conference in the instant matter, LG&E/KU proposes to submit supplemental information addressing the impact of the loss of the municipal load on the joint load forecast and resource planning that were included as part of the Joint IRP.² Accordingly, the Commission will establish a procedural schedule for the processing of this matter.

IT IS THEREFORE ORDERED that:

- The procedural schedule set forth in the Appendix to this Order shall be followed in this proceeding.
- a. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and ten copies to the Commission.
- b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.
- c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

² See, September 19, 2014 IC memo.

- d. For any request to which a party fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.
- 2. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.
- 3. A person who submits a motion to intervene after October 10, 2014, and, upon a showing of good cause, is granted leave to intervene shall accept and abide by the existing procedural schedule.
