COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION
TO MARTIN COUNTY WATER DISTRICT

Martin County Water District ("Martin County"), pursuant to 807 KAR 5:001, is to file with the Commission the original and eight copies of the following information, with a copy to all parties of record. The information requested herein is due on or before September 2, 2015. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Martin County shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Martin County fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a document containing personal information, Martin County shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the document so that personal information cannot be read.

1. Refer to Martin County's letter dated August 6, 2015.¹ The letter states that "[d]eposits for 6" and 8" meters will be \$45.00 per customer." Explain how Martin County determined the amount for the 6-inch and 8-inch meter deposits.

2. Martin County has proposed to increase the deposits for all meters from 5/8-inch through 4-inch to a range from \$90.00 to \$700.00.

a. Explain why corresponding increases for the 6-inch and 8-inch meters were not proposed.

b. Explain why the proposed \$45.00 deposit for the 6-inch and 8-inch meters is reasonable.

3. Confirm that Martin County does not intend to increase the 6-inch and 8-inch meter deposits. If Martin County intends to increase the deposits, state the new deposit amount and provide support for the revised amount.

¹ Letter from Marcie Dials, Office Manager, Martin County Water District, to Jeff Derouen, Executive Director, Public Service Commission (filed Aug. 10, 2015).
