REPORTING REQUIREMENTS ASSOCIATED WITH )  
ITS PREPAY METERING TARIFF )

ORDER

On March 9, 2015, the Commission entered an Order relieving South Kentucky Rural Electric Cooperative Corporation ("South Kentucky") from certain data collection reporting requirements. Based on a review of that Order, the Commission finds that the last full sentence on page 1 refers to a South Kentucky letter dated February 23, 2005, whereas the correct date of that letter is February 23, 2015. Finding an error in our Order of March 9, 2015, the Commission on its own motion HEREBY ORDERS, *nunc pro tunc*, that:

1. The last full sentence on page 1 of our March 9, 2015 Order in this matter is amended to read as follows:

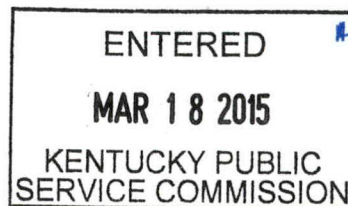

In its February 23, 2015 Letter, South Kentucky states that its Prepay Program has been very successful, and that as of February 18, 2015, its enrollment in the program was 1,819 members.

2. All other provisions of the March 9, 2015 Order that are not in conflict with the terms of this Order shall remain in full force and effect.
