

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF THE PIPE)
REPLACEMENT PROGRAM RIDER OF) CASE NO. 2015-00066
DELTA NATURAL GAS COMPANY, INC.)

ORDER

On February 27, 2015, Delta Natural Gas Company, Inc. ("Delta") submitted an application requesting to revise rates for its Pipeline Replacement Program ("PRP") effective April 20, 2015, pursuant to the Commission's Order in Case No. 2010-00116.¹ Delta responded to one information request from Commission Staff. There are no intervenors in this proceeding, and the case now stands submitted for decision.

Delta proposes a current-year PRP adjustment of \$1,250,099. During 2014, Delta experienced an under-recovery of its PRP revenues in the amount of \$43,009. Delta proposes to include the under-recovery in the calculation of its Total PRP Adjustment for 2015. Delta's Total PRP adjustment, including the Balancing Adjustment, is \$1,293,108.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in Delta's filing, along with its responses to Commission Staff's First Request for Information, is in sufficient detail to support the reasonableness of Delta's proposed PRP adjustment.

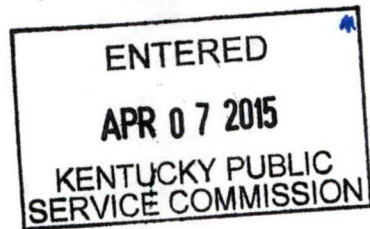

¹ Case No. 2010-00116, *Application of Delta Natural Gas Company, Inc. for an Adjustment of Rates* (Ky. PSC Oct. 21, 2010).

IT IS HEREBY ORDERED that:

1. The PRP rates in the Appendix to this Order are approved for service rendered by Delta on and after April 20, 2015.

2. Within 20 days of the date of this Order, Delta shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

By the Commission

ATTEST:

Executive Director
