ORDER

On October 30, 2015, Louisville Gas and Electric Company ("LG&E") filed an application for approval of revised rates to be recovered through its gas line tracker beginning with the first billing cycle for January 2016. On November 12, 2015, LG&E filed a motion to amend its application. Commission Staff issued its first request for information ("Staff's First Request") to LG&E on November 25, 2015, requiring responses within seven days. On December 1, 2015, LG&E filed a motion for an extension of time through December 8, 2015, to respond to Staff's First Request, due to the Thanksgiving holiday.

Having considered LG&E's motion, the Commission finds that an extension of time through December 8, 2015, is warranted and grants LG&E's motion.

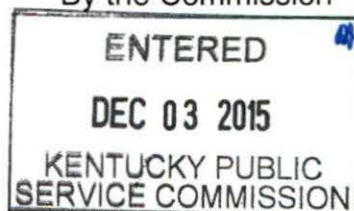

IT IS THEREFORE ORDERED that LG&E's motion is granted, and its responses to Staff's First Request shall be filed by December 8, 2015.
