

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE)	
COMMISSION OF THE ENVIRONMENTAL)	
SURCHARGE MECHANISM OF LOUISVILLE GAS)	CASE NO.
AND ELECTRIC COMPANY FOR THE SIX-MONTH)	2015-00412
BILLING PERIOD ENDING OCTOBER 31, 2015)	

ORDER

On April 6, 1995, the Commission approved Louisville Gas and Electric Company's ("LG&E") environmental surcharge application and established a surcharge mechanism.¹ Pursuant to KRS 278.183(3), at six month intervals, the Commission must review the past operations of the environmental surcharge. After hearing, the Commission may, by temporary adjustment in the surcharge, disallow any surcharge amounts found not to be just and reasonable and reconcile past surcharges with actual costs recoverable pursuant to KRS 278.183(1). Therefore, the Commission hereby initiates the six-month review of the surcharge as billed from May 1, 2015, to October 31, 2015.²

On May 3, 2013, LG&E filed with the Commission written notification of its election pursuant to 807 KAR 5:001, Section 8, to use the electronic filing procedures in all future company six-month and two-year environmental surcharge review

¹ Case No. 1994-00332, *The Application of Louisville Gas and Electric Company for Approval of Compliance Plan and to Assess a Surcharge Under KRS 278.183 to Recover Costs of Compliance with Environmental Requirements for Coal Combustion Wastes and By-Products* (Ky. PSC Apr. 6, 1995).

² Since LG&E's surcharge is billed on a two-month lag, the amounts billed are based on costs incurred from March 2015 through August 2015.

proceedings.³ As 807 KAR 5:001, Section 8, permits the Commission to direct the use of electronic filing procedures for proceedings which we initiate on our own motion, we find that electronic filing procedures should be used. Therefore, LG&E should follow the procedures set forth in 807 KAR 5:001, Section 8, when filing any document or paper in this matter. Pursuant to 807 KAR 5:001, Section 8, unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party should be deemed to have consented to the use of electronic filing procedures and the service of all papers, including Orders of the Commission, by electronic means and the party should file with the Commission, within seven days of the date of an Order of the Commission granting the intervention, a written statement that certifies that the party, or the party's authorized agent, possesses the facilities to receive electronic transmissions and sets forth the electronic mail address to which all electronic notices and messages related to the proceeding should be served.

To facilitate this review, a procedural schedule is set forth in Appendix A to this Order. In accordance with that schedule, LG&E is to file prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism during the time period under review. In addition, LG&E is to file its response to the information requested in Appendix B to this Order. A person who submits a motion to intervene after January 29, 2016, and upon a showing of good cause is granted full intervention, should accept and abide by the existing procedural schedule.

³ Letter from Allyson K. Sturgeon, Counsel for Louisville Gas and Electric Company, to Jeff Derouen, Executive Director, Public Service Commission (May 3, 2013).

Since the approval of its original environmental compliance plan and surcharge mechanism, LG&E has sought and been granted six amendments to its original environmental compliance plan and surcharge mechanism. Pursuant to the Commission's Order approving the Settlement Agreement, Stipulation, and Recommendation in Case No. 2012-00222,⁴ all costs associated with LG&E's 2005 and 2006 amended compliance plans were rolled in to LG&E's base rates. After this last roll-in, the environmental surcharge provides recovery of the costs associated with the 2009 and 2011 amended environmental compliance plans. When determining its over- or under-recovery of the surcharge in this proceeding, LG&E should reflect the impacts of these prior cases, as applicable.

IT IS THEREFORE ORDERED that:

1. Unless otherwise ordered by the Commission, the procedures set forth in 807 KAR 5:001, Section 8, shall be followed when filing papers in this proceeding.

2. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of entry of this Order, LG&E shall file a written statement, with a copy to parties of record, that:

a. Certifies that it, or its authorized agent, possesses the facilities to receive electronic transmissions; and

b. Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served.

3. Requests for intervention shall be filed no later than January 29, 2016. Any party who submits a motion to intervene after January 29, 2016, and upon a

showing of good cause is granted full intervention, shall accept and abide by the existing procedural schedule.

4. Unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party shall:

a. Be deemed to have consented to the use of electronic filing procedures and the service of all papers, including Orders of the Commission, by electronic means; and

b. Within seven days of the date of a Commission Order granting its intervention, file with the Commission a written statement that:

(1) Certifies that it, or its authorized agent, possesses the facilities to receive electronic transmissions; and

(2) Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served.

5. If a party objects to the use of electronic filing procedures and the Commission determines that good cause exists to excuse that party from the use of electronic filing procedures, service of documents on that party and by that party shall be made in accordance with 807 KAR 5:001, Section 4(8).

6. Within seven days of the Commission granting intervention to a party, LG&E shall provide the party with a copy of its monthly environmental surcharge reports as filed with the Commission for the review period.

7. The procedural schedule set forth in Appendix A to this Order shall be followed in this proceeding.

8. By January 15, 2016, LG&E shall file its prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism during the period under review.

9. a. The information requested in Appendix B to this Order shall be filed by January 15, 2016. b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. A party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

10. LG&E's monthly environmental surcharge reports and supporting data for the review period shall be incorporated by reference into the record of this case.

12. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.
