(c) That: I received a bill for energy usage for March
(Describe here, attaching additional sheets if necessary,

2015 for a total of \$1,015.36. It is not
the specific act, fully and clearly, or facts that are the reason

possible for me to have used so much electricity
and basis for the complaint.)

during that month. The bill appears to be inflated,

AS I am certain that our consumption of electricity was not so high as to warrant a bill that is three times higher than an average bill. As I'm aware, no other Kenergy costumer had a bill that tripled that month.

Wherefore, complainant asks to be completely and fully
