COMMONWEALTH OF KENTUCKY BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INQUIRY INTO THE STATE UNIVERSAL SERVICE FUND)) CASE NO.	
	ý	2016-00059	

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO EAST KENTUCKY NETWORK D/B/A APPALACHIAN WIRELESS

East Kentucky Network d/b/a Appalachian Wireless ("East Kentucky Network"), pursuant to 807 KAR 5:001, is to file with the Commission an original in paper medium and an electronic version of the following information. The information requested herein is due on or before April 27, 2016. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

East Kentucky Network shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to

which East Kentucky Network fails or refuses to furnish all or part of the requested

information, it shall provide a written explanation of the specific grounds for its failure to

completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible.

When the requested information has been previously provided in this proceeding in the

requested format, reference may be made to the specific location of that information in

responding to this request. When filing a paper containing personal information, East

Kentucky Network shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or

redact the paper so that personal information cannot be read.

1. Refer to the Testimony of W.A. Gillum ("Gillum Testimony"), page 4, lines

53-55, which state, ". . . Appalachian Wireless believes that program caps should be

considered in lieu of increasing the surcharge, and distributions should be made

proportionately based on availability of funds." Provide specifics and examples

regarding these two recommendations.

James W. Gardner

Acting Executive Director

Public Service Commission
