UTILITIES COMPANY FOR AN ADJUSTMENT OF)	CASE NO.
ITS ELECTRIC RATES AND FOR CERTIFICATES)	2016-00370
OF PUBLIC CONVENIENCE AND NECESSITY)	

ORDER

On November 23, 2016, Kentucky Utilities Company ("KU") tendered for filing an application for an adjustment of its rates for electric service based on a forecasted test period and for certificates of public convenience and necessity. The application proposed that the new rates become effective on January 1, 2017. Having reviewed the application, the Commission finds that an investigation will be necessary to determine the reasonableness of the proposed rates and that such an investigation cannot be completed by January 1, 2017. Pursuant to KRS 278.190(2), the Commission will, therefore, suspend the effective date of the proposed rates for six months, up to and including June 30, 2017.

The Commission expects the parties to use their best efforts to informally resolve any discovery disputes or requests for extensions of time. Absent informal resolution, an objection or motion should be filed at least four business days prior to the established due date. If this deadline is not met, the filing party should include in the written objection or motion a full and complete explanation for such failure.

IT IS THEREFORE ORDERED that:

1. KU's proposed rates are suspended for six months, up to and including June 30, 2017.

2. The procedural schedule set forth in the Appendix to this Order shall be followed.

3. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to questions related to the information provided, with an original and six copies in paper medium and an electronic version to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this

proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

f. Any party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that the personal information cannot be read.

4. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, and shall also file an original and six copies in paper medium. The original and copies in paper medium shall be appropriately bound, tabbed and indexed.

5. Any motion to intervene filed after December 22, 2016, shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

6. KU shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov." At the time publication is requested, KU shall forward a duplicate of the notice and request to the Commission.

7. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

8. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video transcript shall be made of the hearing.

9. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

10. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
