

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED GAS ADJUSTMENT FILING)	CASE NO.
OF SENTRA CORPORATION)	2017-00258

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION
TO SENTRA CORPORATION

Sentra Corporation ("Sentra"), pursuant to 807 KAR 5:001, is to file with the Commission the original and five copies of the following information, with a copy to all parties of record. The information requested herein is due within seven days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Sentra shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Sentra fails or refuses to furnish all or part of the requested information, it shall provide

a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a document containing personal information, Sentra shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Explain why a \$1.00 per dekatherm, or \$1.06 per Mcf, Clay Gas Transportation Fee is included for the first time in this filing as part of Sentra's Expected Gas Cost, and why the fee was not included previously as part of Sentra's gas cost calculation.

2. Explain whether Sentra pays \$1.00 per dekatherm to Clay Gas monthly for use of a pipeline.

3. Explain whether Sentra's entire gas supply is transported using the pipeline that is the subject of the Assignment of Pipeline, Regulator Station, Meter Site and Pipeline Tap agreement included with Sentra's application.

4. Explain whether the Total Cost of Volumes Purchased for February, March, and April 2017 as shown on Schedule IV includes charges from Clay Gas.

5. Provide invoices for the three months shown in the Actual Adjustment on Schedule IV that support the \$13,310.63, \$16,869.52, and \$6,156.38 gas cost reported for the three months.
