In the Matter of:

COOPERATIVE CORPORATION FROM NOVEMBER 1,	)	2017-00296
2016 THROUGH APRIL 30, 2017	)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case by Order dated August 30, 2017, to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Jackson Energy Cooperative Corporation ("Jackson Energy") for the six-month period that ended on April 30, 2017.

As part of this review, Jackson Energy complied with the Commission's Order to submit certain information concerning its compliance with 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case and indicated that if no interested party notified the Commission by October 11, 2017, of its intent to attend, the hearing would be cancelled and the matter would be considered submitted for decision based on the evidence in the record. No individual or entity advised the Commission by October 11, 2017, of an intent to attend the hearing. The public hearing was cancelled, and the matter is considered submitted for decision based on the evidence in the record.

The Commission, having considered the evidence in the record and being otherwise sufficiently advised, finds no evidence that Jackson Energy has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson Energy through the FAC for the period November 1, 2016, through April 30, 2017, are approved.
