ORDER

On June 27, 2018, Kentucky Power Company (“Kentucky Power”) filed an application, pursuant to KRS 278.020(2), 807 KAR 5:001, Section 14, 807 KAR 5:001, Section 15, and 807 KAR 5:120, for a Certificate of Public Convenience and Necessity (“CPCN”) authorizing Kentucky Power to: (1) construct an approximately 2.7 mile 138 kilovolt (“kV”) transmission line in Boyd County, Kentucky; (2) construct a new 138 kV substation near 297 South Commerce Drive in East Park Industrial Center in Boyd County, Kentucky; and (3) upgrade certain facilities and equipment at Kentucky Power’s existing Chadwick 138 kV Substation in Boyd County, Kentucky.

Having reviewed Kentucky Power’s application, the Commission finds that an investigation will be necessary to determine the reasonableness of the request. KRS 278.020(9) requires the Commission to issue its decision no later than 90 days after the application is filed unless the Commission extends this period for good cause to 120 days. We find that an investigation of the proposed application cannot be completed within 90 days of the filing date of the application.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's request for approval of the CPCN is continued for an additional 30 days, from September 25, 2018, to October 25, 2018, pursuant to KRS 278.020(8).

2. All parties shall adhere to the procedural schedule set forth in the Appendix to this Order.

3. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with an original in paper medium and an electronic version to the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

f. Any party filing a paper containing personal information shall, in accordance with 807 KAR 5:0001, Section 4(10), encrypt or redact the paper so that the personal information cannot be read.

4. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, and shall also file an original in paper medium. The copies in paper medium should be appropriately bound, tabbed and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

5. Any motion to intervene filed after July 13, 2018, shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

6. Kentucky Power shall give notice of any hearing in this matter in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov." At the time publication is requested, Kentucky Power shall forward a duplicate of the notice and request to the Commission.

7. At the public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted

8. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video transcript shall be made of the hearing.

9. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extension of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

10. Nothing herein shall prevent the Commission from issuing further Orders in this matter.
