Based on its initial review of the LG&E/KU IRP, the Commission finds that additional inquiry is necessary. Due to staffing level and workloads of Commission Staff (Staff), the dates that would normally be set for processing this case should be moved back to allow sufficient time for Staff to complete its review of the IRP and issue a Staff Report.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information that indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.
