COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO  
KENTUCKY POWER COMPANY

Kentucky Power Company (Kentucky Power), pursuant to 807 KAR 5:001, is to file with the Commission an original and six copies in paper medium and an electronic version of the following information. The information requested herein is due December 5, 2018. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kentucky Power shall make timely amendments to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Kentucky Power fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a document containing personal information, Kentucky Power shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the application, Exhibit 3, page 46 of 74. Total Year-To-Date Equipment/Vendor costs for January 1, 2018–October 31, 2018, are \$112,674. Provide an explanation for these costs.

2. Refer to the application, Exhibit 3, page 47 of 74. Total Year-To-Date Equipment/Vendor costs for January 1, 2018–October 31, 2018, are \$1,272, yet there were no new participants. Provide an explanation for these costs.

3. Refer to the application, the Direct Testimony of Matthew A. Horeled (Horeled Testimony), page 4, lines 16–18 and page 5, lines 1–3.

a. Confirm that the balance of the 83 commercial projects was not timely submitted and will not be receiving an incentive payment.

b. Confirm that the balance of 31 residential projects was not timely submitted and will not be receiving an incentive payment.

c. Refer to Exhibit 3, page 62 of 74, CI Prescriptive Custom Program Information. Also refer to page 65 of 74, New Construction Program Information. The total Year-To-Date incentives is \$567,479 for the CI Prescriptive Custom Program and \$59,195 for the New Construction Program. The sum of these incentives is \$626,682, yet Kentucky Power paid \$744,938 in incentives payments. Reconcile this discrepancy and provide any necessary updates.

4. Refer to Horeled Testimony, page 5, lines 6–9.

a. Confirm that payment has been made to the customer for the Commercial New Construction project that were omitted.

b. Confirm that payment has been made to the customers for the two CI Prescriptive custom projects that were omitted.
