COMMISSION STAFF'S POST-HEARING REQUEST FOR
INFORMATION TO EAST KENTUCKY POWER COOPERATIVE, INC.

East Kentucky Power Cooperative, Inc. (EKPC), pursuant to 807 KAR 5:001, is to file with the Commission the original and an electronic version of the following information. The information requested herein is due on May 17, 2019. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable and shall be appropriately bookmarked.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

EKPC shall make timely amendment to any prior response if they obtain information which indicates that the response was incorrect when made or, though correct

when made, is now incorrect in any material respect. For any request to which EKPC fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for their failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, EKPC shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide the budget model or evaluation formula that EKPC utilizes to determine the overall cost of fuel in Excel spreadsheet format with all formulas intact and unprotected, and with all columns and rows accessible.

2. Refer to EKPC's response to Staff's First Request for Information, Item 22.
 - a. Refer to page 2 of 5. Expand upon why coal prices are expected to be higher for all Cooper and Spurlock units compared to the two-year review period.
 - b. Refer to page 2 of 5. Explain why the expected price of purchased power is expected to be lower than in the review period. Provide a detailed explanation of the driving factors involved and how they affect the expected price of purchased power.
