

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ELECTRONIC EXAMINATION BY THE PUBLIC)	
SERVICE COMMISSION OF THE ENVIRONMENTAL)	CASE NO.
SURCHARGE MECHANISM OF DUKE ENERGY)	2019-00147
KENTUCKY, INC. FOR THE SIX-MONTH BILLING)	
PERIOD ENDING NOVEMBER 30, 2018)	

ORDER

On April 13, 2018, the Commission approved Duke Energy Kentucky, Inc.'s (Duke Kentucky) environmental compliance plan and environmental surcharge application and established a surcharge mechanism.¹ Pursuant to KRS 278.183(3), the Commission must, at six-month intervals, review the past operations of the environmental surcharge. After hearing, the Commission may, by a temporary adjustment in the surcharge, disallow any surcharge amounts found not to be just and reasonable and reconcile past surcharges with actual costs recoverable pursuant to KRS 278.183(1). Therefore, the Commission hereby initiates the six-month review of the surcharge as billed from June 1, 2018, to November 30, 2018.²

As 807 KAR 5:001, Section 8, permits the Commission to direct the use of electronic filing procedures for proceedings which we initiate on our own motion, we find that electronic filing procedures should be used. As such, Duke Kentucky shall follow the

¹ Case No. 2017-00321, *Electronic Application of Duke Energy Kentucky, Inc. for: 1) An Adjustment of the Electric Rates; 2) Approval of an Environmental Compliance Plan and Surcharge Mechanism; 3) Approval of New Tariffs; 4) Approval of Accounting Practices to Establish Regulatory Assets and Liabilities; and 5) All Other Required Approvals and Relief* (Ky. PSC Apr. 13, 2018).

² Since Duke Kentucky's surcharge is billed on a two-month lag, the amounts billed are based on costs incurred from April 13, 2018 through September 2018.

procedures set forth in 807 KAR 5:001, Section 8, when filing any document or paper in this matter. To facilitate this review, a procedural schedule is set forth in Appendix A to this Order. In accordance with that schedule, Duke Kentucky is to file prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism during the period under review. In addition, Duke Kentucky is to file its response to the information requested in Appendix B to this Order.

All requests for intervention should be filed by the date set forth in Appendix A. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceedings which is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention must have an interest in the rates or service of a utility, as those are the only matters that are subject to the Commission's jurisdiction.

Based on the foregoing, the Commission further finds that any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not adequately represented, or the issues and facts the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of electricity consumed by the movant or a general statement regarding a potential impact of a possible modification of rates will not be deemed sufficient to establish a special interest.

IT IS THEREFORE ORDERED that:

1. Unless otherwise ordered by the Commission, the procedures set forth in 807 KAR 5:001, Section 8, related to the service and electronic filing of papers shall be followed in this proceeding.

2. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of entry of this Order, Duke Kentucky shall file a written statement, with a copy to parties of record, that it waives any right to service of Commission orders by United States mail and that it or its authorized agent possesses the facilities to receive electronic submissions.

3. Unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party shall:

a. Be deemed to have consented to the use of electronic filing procedures and the service of all papers, including Orders of the Commission, by electronic means; and

b. Within seven days of the date of an Order of the Commission granting its intervention, file with the Commission a written statement that:

(1) It, or its authorized agent, possesses the facilities to receive electronic transmissions; and

(2) Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served.

4. If a party objects to the use of electronic filing procedures and the Commission determines that good cause exists to excuse that party from the use of electronic filing procedures, service of documents on that party and by that party shall be made in accordance with 807 KAR 5:001, Section 4(8).

5. The procedural schedule set forth in Appendix A to this Order shall be followed in this proceeding.

6. Any person who submits a motion to intervene after the date set forth in Appendix A shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

7. By the date set forth in Appendix A, Duke Kentucky shall file prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism during the period under review.

8. Any party filing testimony shall comply with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, and shall file with the Commission an original in paper medium and an electronic version. The original in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable and shall be appropriately bookmarked.

9. a. The information requested in Appendix B to this Order is due by the date set forth in Appendix A. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with an original in paper medium and an electronic version to the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental

agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any requests to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

f. A party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

10. Within seven days of the Commission's granting intervention to a party, Duke Kentucky shall provide the party with a copy of its monthly environmental surcharge reports as filed with the Commission for the review period.

11. Duke Kentucky's monthly environmental surcharge reports and supporting data for the review period shall be incorporated by reference into the record of this case.

12. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

13. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
