ORDER

On January 30, 2019, Letcher County Water and Sewer District (Letcher District) filed with the Commission a notice of its intent to apply for a declaratory order regarding the status of a wholesale water purchase contract with Knott County Water and Sewer District (Knott District). Letcher District made no further filings in this docket until, on January 10, 2020, it filed a notice of its intent not to proceed and moved to close the case. As grounds for its motion, Letcher District stated that the Commission was addressing in another docket several of the issues Letcher District had intended to raise in its application for a declaratory order.

The Commission finds that Letcher District's motion should be granted.

IT IS THEREFORE ORDRED that:

1. Letcher District's motion is granted.
2. This case is closed and removed from the Commission's docket.
