ORDER

On June 2, 2020, the Commission issued an Order in this matter granting a rehearing and granting Inter-County Energy Cooperative Corp.'s (Inter-County), Nolin RECC's (Nolin), and Shelby Energy Cooperative's (Shelby) requests to revise their pass-through mechanism, reporting formats, and tariffs. The description of the requests contained an inadvertent omission, stating that the "pass-through environmental surcharge amounts billed by EKPC for Rate B, C, and special contract customers directly on to those customers before the surcharge pass-through factor is determined." Instead, the description should be amended to state that the "pass-through environmental surcharge amounts billed by EKPC for Rate B, C, G, and special contract customers directly on to those customers before the surcharge pass-through factor is determined."

Finding that the June 2, 2020 Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. The following language is amended in the Commission's Order entered June 2, 2020.

On May 19, 2020, East Kentucky Power Cooperative, Inc. (EKPC) on behalf of its member cooperatives Inter-County Energy Cooperative Corp. (Inter-County), Nolin RECC (Nolin), and Shelby Energy Cooperative (Shelby), filed a petition for rehearing pursuant to KRS 278.400, stating that the May 6, 2020 Order failed to address the requests of Inter-County, Nolin, and Shelby to revise their pass-through mechanisms to pass-through environmental surcharge amounts billed by EKPC for Rate B, C, G, and special contract customers directly on to those customers before the surcharge pass-through factor is determined.

2. All other provisions of the Commission's June 2, 2020 Order not in conflict with this Order shall remain in full force and effect.
3. This case is closed and removed from the Commission's docket.
