

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PROPOSED ADJUSTMENT OF)	CASE NO.
THE WHOLESALE WATER SERVICE RATES OF)	2019-00444
PRINCETON WATER AND WASTEWATER)	

ORDER

On April 5, 2020, Princeton Water and Wastewater (Princeton) filed a motion for leave to file after the deadline (Motion) its requests for information to Caldwell County Water District (Caldwell District) and Lyon County Water District (Lyon District) (collectively Intervenors). In the Commission's February 21, 2020 Order, the Commission set the deadline for requests for information to Intervenors as April 3, 2020. Princeton's grounds for the request are that it has identified flaws in its calendaring program that prevented accurate scheduling for the deadline due to the current state of emergency requiring work from home. The Motion stated that Caldwell District and Lyon District do not object to the extension of time, and the Intervenors filed their response to the Motion on April 6, 2020, affirming same. The Intervenors stated the parties agreed on a deadline of April 24, 2020, for their responses to the requests for information filed on April 5, 2020, citing the difficulties in obtaining and preparing responses to the requests in light of the current state of emergency requiring the majority of those working on the responses to work from home.

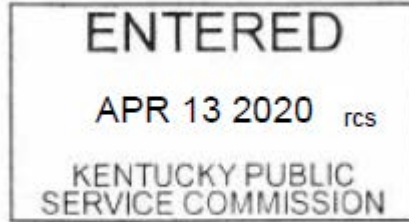

The Commission finds there is good cause to grant the Motion and sets the deadline for responses for April 24, 2020.

IT IS THEREFORE ORDERED that:

1. Princeton's Motion filed April 5, 2020, is granted.
2. The deadline for discovery responses to Princeton's Requests for Information and the remaining dates in the procedural schedule set forth in the Appendix of the Commission's February 21, 2020 Order in this case is amended.
3. The amended procedural schedule set forth in the Appendix, attached hereto and incorporated herein, shall be followed in this proceeding.
