association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

The Intervenors shall make timely amendment to any prior response if the Intervenors obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which the Intervenors fails or refuses to furnish all or part of the requested information, the Intervenors shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, the Intervenors shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide a detailed and descriptive itemization of fees and assessments that Kentucky Rural Water Association and Alan Vilines assessed the Intervenors for the work on this rate case, including but not limited to services provided for testifying, answering data requests, and performing the rate study.

2. Provide invoices containing detailed and descriptive itemization of fees and assessments that Goss Samford, PLLC assessed the Intervenors for the work on this rate case.
