association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kentucky Power shall make timely amendment to any prior response if they obtain information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Kentucky Power fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for their failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Kentucky Power shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Kentucky Power's response to Commission Staff's First Request for Information (Staff's First Request), Item 1, regarding the fuel contracts for Coal Network, LLC and Ember Energy, LLC.

- a. Explain the reasoning behind those contracts being amended with the term in excess of one year.

b. Confirm if Kentucky Power has filed those amended fuel contracts with the Commission.

2. Refer to Kentucky Power's response to Staff's First Request, Item 13, attachment 1.

a. Describe the abbreviations listed under the "Ref" column heading.

b. Describe each account number listed under the "Account" column heading.

c. Reconcile how the account totals are combined to match what is included in FAC filings.

d. Explain how any specific Account is tied to PJM billing line items.

3. Refer to Kentucky Power's response to Staff's First Request, Item 15, and 807 KAR 5:056, Section 1(4). Explain how Kentucky Power defines planned maintenance and forced outages, and explain how those definitions are applied.

4. Refer to Kentucky Power's response to Staff's First Request, Item 15, attachment 1 of 2. Describe in detail the forced outage on August 4, 2019, with the description of "Transmission outage 138 kv disconnect" and what it entails.

5. Refer to Kentucky Power's response to Staff's First Request, Item 15, attachment 1 of 2. Regarding the maintenance outage to forced outage beginning on June 30, 2019.

a. Provide the PJM market rules that dictates the unit to go forced outage after the period for maintenance outage was exceeded.

b. Describe how long Kentucky Power planned for the maintenance outage to take.

c. Explain whether Kentucky Power knew beforehand that the outage would exceed the PJM market rules period for maintenance outage. If not, explain what caused the outage to exceed the expected time.
