under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if they obtain information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Duke Kentucky fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for their failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Duke Kentucky shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Duke Kentucky's response to Staff's First Request, Item 6. Explain the difference between the amounts listed under the "Qty" column and the amounts listed under the "Ext Amount" column, and explain why the amounts in the "Ext Amount" column are always greater than those in the "Qty" column.

2. Refer to Duke Kentucky's response to Staff's First Request, Item 15, Attachment, Event Type Legend.

a. Explain how each of the categories are defined.

b. Explain whether PJM has any role to play regarding scheduled or maintenance outages.

3. Refer to Duke Kentucky's response to Commission Staff's First Request for Information (Staff's First Request), Item 17, regarding the backup fuel oil system for the Woodsdale units.

a. Provide the amount of backup fuel oil Duke Kentucky maintains on site for the Woodsdale units.

b. State how long the Woodsdale units could last on the backup fuel oil should it be the only source of fuel for the Woodsdale unit generation.

c. Explain the average price Duke Kentucky has paid for the backup fuel oil.

d. Since the June 1, 2019 backup fuel oil installation, explain whether Duke Kentucky has run the Woodsdale units using the fuel oil.

e. Explain how Duke Kentucky purchases the backup fuel oil. Be sure to include whether the fuel is purchased through a contracted supplier or off the market when necessary.
