ORDER

On April 23, 2020, Louisville Gas and Electric Company (LG&E), pursuant to Orders entered in Case No. 2020-00085,¹ filed a motion requesting that the Commission convert this complaint proceeding to an electronic case utilizing the electronic filing procedures set forth in 807 KAR 5:001, Section 8. In Case No. 2020-00085, the Commission, among other things, suspended the filing of original paper documents, with certain exceptions, and urged parties in non-electronic cases to petition to convert the cases to electronic cases pursuant to 807 KAR 5:001, Section 8.

The Commission finds that converting this type of proceeding to an electronic case could result in an undue burden upon William Fox, the Complainant. Mr. Fox is appearing *pro se* in this proceeding. Mr. Fox has not requested that this proceeding be converted to an electronic case and there is not sufficient information in the case record whether he has the ability to follow the electronic filing procedures of 807 KAR 5:001, Section 8.
