a. It is not clear where the property highlighted on the detailed site map on page 11 is situated in the quadrant map on page 10. Provide the appropriate detail. Resubmit this map as a separate PDF file so that the quality of the image is not degraded by becoming pixelated.

c. Make a new detailed site map of the area showing the existing electric service area boundary, the mobile home at 475 Guthrie Street, property lines for the area, and existing Farmers RECC and KU electric lines in order to illustrate the difficulties encountered by KU that led to the request of Farmers RECC to serve the customer. Show the route that will be utilized by Farmers RECC to serve the customer. (This map does not need to be signed and dated by both parties.) Submit this map as a separate PDF file.
