7. Should Atmos purchase sustainable natural gas from a renewable source during the reporting period of any future GCR reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

8. The rates proposed by Atmos and set forth in the Appendix to this Order are fair, just, and reasonable and should be approved for final meter readings by Atmos on and after August 1, 2020.

IT IS THEREFORE ORDERED that:

1. The rates set forth in the Appendix to this Order are approved for final meter readings on and after August 1, 2020.

2. Within 20 days of the date of the entry of this Order, Atmos shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.
