WATER DISTRICT	)	

O R D E R

On September 9, 2020, Marion County Water District (Marion District) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.[1]

2.   Lebanon notified Marion District that the volumetric portion of its wholesale rate will increase from $4.1040 per 1,000 gallons to $4.3446 per 1,000 gallons,[2] effective September 15, 2020.   Marion District proposes to increase the water rates to its customers effective September 15, 2020, to reflect the increased cost of purchased water from Lebanon.

3.   Marion District proposed a purchased water adjustment factor of $0.30 per 1,000 gallons in its application.
