ORDER

The Commission, on its own motion, initiates this proceeding for the purpose of monitoring Hyden-Leslie County Water District's (Hyden-Leslie District) unaccounted-for water loss reduction plan surcharge, which was approved in Case No. 2020-00141.¹ The Commission ordered Hyden-Leslie District to assess a monthly surcharge of \$1.53 per customer for 48 months, or until \$263,124 has been assessed, whichever occurs first, to fund its unaccounted-for water loss reduction efforts as set forth in Case No. 2020-00141.² The Commission found that the surcharge was subject to a number of conditions. Consistent with the findings in Case No. 2020-00141, the Commission finds that:

1. Within 120 days of the date of this Order, Hyden-Leslie District should file with the Commission a qualified infrastructure improvement plan, including a comprehensive unaccounted-for water loss reduction plan that establishes priorities and a time schedule for eliminating each source of unaccounted-for water loss and provides a detailed spending plan for the proceeds of a surcharge.

2. Hyden-Leslie District should deposit surcharge collections in a separate interest-bearing account.

3. 4. On the 15th day of each month for 48 months from the date of this Order or until all surcharge proceeds are expended, Hyden-Leslie District should file a monthly water loss report with the Commission.³

5. Hyden-Leslie District shall not use any surcharge proceeds for reimbursement of unaccounted-for water loss reduction expenses without prior Commission authorization.

6. Hyden-Leslie District should consider all surcharge collections as contributions and shall account for them in the manner that the Uniform System of Accounts for Class A and B Water Districts and Associations prescribes.

7. Hyden-Leslie District should debit monthly billings for the surcharge to customers' accounts receivable and credit the contribution account.

8. When Hyden-Leslie District collects the surcharge from the customers, it should debit special funds and credit the customer account.

9. One year after the date of entry of this Order and annually thereafter, Hyden-Leslie District should file in Case No. 2020-00340 a schedule of the estimated and actual progress of the water loss detection and repair program and estimated and actual expenditures made with surcharge proceeds for the purpose of evaluating whether adjustments to the program or to the surcharge amount are required.

10. Hyden-Leslie District's failure to comply with any conditions attached to its assessment of the surcharge will result in termination of the surcharge and the refund of all surcharge proceeds previously collected.

IT IS THEREFORE ORDERED that:

1. This case is opened to monitor Hyden-Leslie District's unaccounted-for water loss surcharge proceeds collection and expenses.

2. The record of Case No. 2020-00141 is incorporated by reference in Case No. 2020-00340.
