

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS ADJUSTMENT	)	CASE NO.
FILING OF NATURAL ENERGY UTILITY	)	2021-00122
CORPORATION	)	

ORDER

On March 3, 2021, Natural Energy Utility Corporation (Natural Energy) filed its Gas Cost Recovery (GCR) rate report to become effective April 1, 2021. On March 31, 2021 the Commission issued an Order suspending the effective date of the proposed rates for five months from April 2, 2021. As part of the suspension, Natural Energy was ordered to file with the Commission, no later than April 13, 2021, responses to requests to information contained in the March 31, 2021 Order.

On April 12, 2021, Natural Energy filed with the Commission a motion requesting an extension of ten days in which to file responses to the Commission's March 31, 2021 Order. As grounds for its motion, Natural Energy states that while it is attempting to gather all of the requested information, the additional time is needed to assure that the information is complete and accurate.

The Commission finds that Natural Energy has presented sufficient grounds for its motion to be granted and that granting the extension will not result in prejudice or undue delay.

IT IS THEREFORE ORDERED that:

1. Natural Energy's motion for an extension of time in which to file responses to the Commission March 31, 2021 Order is granted.

2. Natural Energy's responses to the Commission's March 31, 2021 Order shall be due no later than April 22, 2021.
