

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

CAG ENTERPRISES & CONCRETE)	
CONSTRUCTION LLC)	
_____)	CASE NO.
)	2021-00357
ALLEGED VIOLATION OF UNDERGROUND)	
FACILITY DAMAGE PREVENTION ACT)	

ORDER

A hearing was held before the Kentucky Public Service Commission (Commission) on July 29, 2022, at its offices at 211 Sower Boulevard, Frankfort, Kentucky, concerning the allegation that CAG Enterprises & Concrete Construction LLC (CAG) violated KRS 367.4911(1)(a) when, on March 27, 2020, at approximately 10:12 a.m. at 2544 Mable Lane, Lexington, Kentucky 40511, it conducted excavation activities within the approximate location of an underground facility using mechanized equipment without first contacting the Kentucky Contact Center (811) and thereby caused damage to an underground gas service line owned, operated, and used to serve the public by Columbia Gas of Kentucky, Inc. (Columbia Kentucky). Although CAG was served with notice of the hearing, no representative of CAG appeared at the hearing. Following a review of the record and the taking of testimony, the Commission determined that CAG violated KRS 367.4911(1)(a), and this violation resulted in damage to an underground facility containing natural gas.

FINDINGS OF FACT

The testimony presented at the hearing as well as the exhibits filed in the record establish that:

1. CAG, at the time the damage occurred on March 27, 2020, was an excavator as defined by KRS 367.4903(4) who caused damage to a natural gas service line by means of excavation as defined by KRS 367.4903(2) and (6).

2. The natural gas service line was an underground facility owned and operated by Columbia Kentucky to serve the public. The service line contained natural gas at the time it was damaged by CAG.

3. CAG failed to call 811 to obtain information about the approximate location of the damaged natural gas service line not less than two nor more than ten full working days prior to commencing work as required by KRS 367.4911(1)(a).

4. CAG's excavation work was not emergency work within the scope of KRS 367.4907 or the definition of "Emergency" as defined in KRS 367.4903(7), and no exception to the call requirement is applicable to this case.

5. There are no known mitigating factors which would merit the imposition of a civil penalty less than the maximum provided by law. This violation is CAG's first violation of Kentucky's Underground Facilities Damage Prevention Act.¹

CONCLUSIONS OF LAW

1. CAG violated KRS 367.4911(1)(a) by failing to contact 811 to request locating of underground facilities before commencing excavation activity.

¹ KRS 367.4901 through KRS 367.4917.

2. As a consequence, CAG damaged a plastic one-inch natural gas service line owned, operated, and used by Columbia Kentucky to serve the public

3. CAG is subject to a civil penalty of \$1,250 for this violation by operation of KRS 367.4917(1) and KRS 367.4914(4).

IT IS THEREFORE ORDERED that:

1. CAG Enterprises & Concrete Construction LLC is assessed a civil penalty of \$1,250 for violation of KRS 367.4911(1)(a)

2. CAG Enterprises and Concrete Construction LLC shall pay \$1,250 within 30 days of the date of this Order by cashier's check or money order payable to the Kentucky State Treasurer and mailed or delivered to the office of the Kentucky Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky 40602.

3. A record of the payment of the civil penalty assessed in this Order shall be made in the post-case correspondence file of this proceeding.

4. This case is closed and removed from the Commission's docket.

THIS IS A FINAL AND APPEALABLE ORDER OF THE PUBLIC SERVICE COMMISSION.

An application for a rehearing may be filed with the Commission within 20 days after service of this Order as provided by KRS 278.400. Any appeal of this Order must be filed with the Franklin Circuit Court within 30 days after service of this Order or within 20 days after an application for rehearing has been denied by failure of the Commission to act or, within 20 days after service of the final Order, as set out in KRS 278.410.
