COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION
TO HYDEN-LESLIE COUNTY WATER DISTRICT

Hyden-Leslie County Water District (Hyden-Leslie District), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested is due on March 10, 2022. The Commission directs Hyden-Leslie District to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Hyden-Leslie District shall make timely amendment to any prior response if Hyden-Leslie District obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Hyden-Leslie District fails or refuses to furnish all or part of the requested information, Hyden-Leslie District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Hyden-Leslie District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Explain whether Hyden-Leslie District is aware of any of its customers currently having an individual pressure booster system. If so, explain how Hyden-Leslie District would handle the situation if the proposed removal of the provision of the tariff were approved. If not, explain whether Hyden-Leslie District would take proactive steps to determine whether any of its customers have individual pressure booster systems.

2. If Hyden-Leslie District is not currently aware of any of its customers having an individual pressure booster system but later becomes aware of such a situation, explain the actions, if any, Hyden-Leslie District would take regarding that customer's individual pressure booster system.
