COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO WESTERN PULASKI COUNTY WATER DISTRICT

Western Pulaski County Water District (Western Pulaski District), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested is due on February 16, 2022. The Commission directs Western Pulaski District to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Western Pulaski District shall make timely amendment to any prior response if Western Pulaski District obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Western Pulaski District fails or refuses to furnish all or part of the requested information, Western Pulaski District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Western Pulaski District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Application, page 7. Provide any studies, data, records of service interruption or problems, or other information supporting the stated need for additional flow capacity to Lee's Ford Pump Station or the area it services.
2. Provide the current flow capacity to Lee's Ford Pump Station.

3. Provide what the flow capacity will be to the Lee's Ford Pump Station when this project is completed.

4. Refer to the Application, page 7. Describe any alternative methods of increasing flow capacity to Lee's Ford Pump Station or the area it services.

5. Provide the estimated cost of any alternative methods of increasing flow capacity to Lee's Ford Pump Station or the area it services.

6. Refer to the Application, page 7. Provide the estimated costs of repairing the existing eight-inch and six-inch water lines along KY Highway 80.

7. Refer to the Application, Exhibit A – Public Necessity and Project Description. Identify any project design alternatives and estimated costs.

8. Refer to the Application, Exhibit A – Public Necessity and Project Description. State how the decisions were made as to what diameter transmission main pipe was to be used, what length of main to replace, and what pipe material was to be used.

9. Describe your methods for soliciting bids on this project.
