

customers have limited access to a computer to receive electronic mail. Staff's First Request was issued on February 17, 2023 and, according to the request, Mr. Burrell did not receive the request until March 14, 2023. Mr. Burrell's request is unclear whether Mr. Burrell was unable to receive his mail during that 25-day period because he was out of state during that period or whether Mr. Burrell received the Order at some point in that 25-day period but failed to timely act. For this reason, the Commission finds that Mr. Burrell's request should be denied. Because the information requested is necessary evidence that will assist the Commission in making a determination in this matter, Mr. Burrell should file the responses as soon as possible after receiving service of this Order.

Because Mr. Burrell filed his request by electronic mail, the Commission encourages Mr. Burrell to file notice if he will accept service of Commission Orders by electronic mail, which will ensure that Mr. Burrell timely receives Commission Orders.

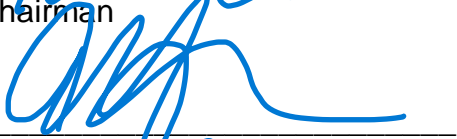

IT IS THEREFORE ORDERED that:

1. The Commission denies Mr. Burrell's request for an extension.
2. Mr. Burrell shall file his response to Commission Staff's First Request for Information as soon as possible. The response shall be filed by electronic mail at PSCED@ky.gov or by U.S. Mail at P.O. Box 615, Frankfort, Kentucky 40602-0615.
3. Mr. Burrell may file notice if he agrees to service of Commission Orders by electronic mail and, if so, shall provide his electronic mail address.
4. A copy of this Order shall be served on Mr. Burrell at 958 Ninevah Road, Frankfort, KY 40601.
