

If the parties cannot reach an agreement about the method to calculate the refund, or the refund amount, the Commission will hold a hearing to determine the method to be used to calculate the refund and the amount of the refund. In Case No. 2021-00289, the Commission only approved the LICSS tariff on a pilot basis.¹ The Commission will take into consideration the problems BREC has noted in calculating bills under the current LICSS tariff and any revisions to the tariff that will alleviate this problem when reviewing BREC's updated LICSS tariff filing.

IT IS THEREFORE ORDERED that:

1. BREC and Kenergy's motion to allow the parties additional time to reach an agreement is granted.
2. The parties shall have 60 days from the service of this Order to determine the method to be used to calculate the refund and the amount of refund owed to Kimberly-Clark.
3. Any agreement reached shall be filed in the case record.
