ORDER

George Casteel was granted intervention in this case by Commission Order dated October 16, 2023. Pursuant to 807 KAR 5:001, Section 8(9), the Order required Mr. Casteel to, within seven days of service of the Order, file a written statement with the Commission that certified that he possesses the facilities to receive electronic transmissions and set forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served. Mr. Casteel contacted the Commission’s Consumer Services division indicating that he did not have sufficient time to file this statement.

Pursuant to 807 KAR 5:001, Section 22, in special cases, for good cause shown, the Commission may permit deviations from 807 KAR 5:001. The Commission finds that Mr. Casteel may file his required statement after the date specified in the October 16, 2023 Order. No deadline is attached to this extension—however, due to the statutory requirement that this case be resolved by January 11, 2024, this case will not be delayed.

Mr. Casteel may refer to the Public Service Commission website page for this case (<https://psc.ky.gov/Case/ViewCaseFilings/239>) to access all filings.

IT IS THEREFORE ORDERED that:

1. Mr. Casteel is permitted to file, outside of the time required by its October 16, 2023 Order, a written statement with the Commission that certifies that he possesses the facilities to receive electronic transmissions and set forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served.

2. This Order shall be served upon Mr. Casteel by certified mail, return receipt requested, to the address on file with the Commission.
