

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC TARIFF FILING OF KENTUCKY)	CASE NO.
POWER COMPANY TO UPDATE ITS PURCHASE)	2023-00318
POWER ADJUSTMENT RATES)	

ORDER

This matter arises upon the motion of the Kentucky Industrial Utility Customers, Inc. (KIUC), filed October 3, 2023, for full intervention. As a basis for its motion, KIUC stated that its member Catlettsburg Refining LLC (Catlettsburg), a subsidiary of Marathon Petroleum LP (Marathon), and its interest cannot be adequately represented by an existing party.

LEGAL STANDARD

The only person who has a statutory right to intervene in a Commission case is the Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate Intervention (Attorney General), pursuant to KRS 367.150(8)(b). Intervention by all others is permissive and is within the sole discretion of the Commission.¹

The regulatory standard for permissive intervention, set forth in 807 KAR 5:001, Section 4, is twofold. Commission regulation 807 KAR 5:001, Section 4(11), requires a person to set forth in the motion to intervene either (1) a special interest in the proceeding that is not otherwise adequately represented in the case, or (2) that intervention is likely

¹ *Inter-County Rural Electric Cooperative Corporation v. Public Service Commission of Kentucky*, 407 S.W.2d 127, 130 (Ky. 1966).

to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings.

DISCUSSION AND FINDINGS

Based on a review of the pleadings at issue and being otherwise sufficient advised, the Commission finds that KIUC has demonstrated that it has a special interest in the proceeding over which the Commission has jurisdiction that is not otherwise adequately represented or that KIUC is likely to present issues or develop facts that will assist the Commission in considering this matter without unduly complication the proceedings, for the reasons discussed below.

KIUC argued that its members are large industrial customers that take service on a different rate schedule than residential customers. KIUC stated the Attorney General has a statutory obligation to represent the interests of residential customers, not industrial customers. KIUC stated that its members will be affected by the proposed changes to the Purchased Power Adjustment tariff.

KIUC also asserted that it can present issues and develop facts related to electric rates and service that will assist the Commission in rendering a decision without unduly complicating or disrupting the proceedings. KIUC pointed to its long history of being an active participant at the Commission, and in Kentucky Power proceedings. KIUC stated it will be an active participant in this case and it will assist in developing facts that will assist the Commission. The Commission agrees that based on past practice, and KIUC's statements here, KIUC will present issues and develop facts related to this case that supports granting KIUC intervention.

Based on the above, the Commission finds that KIUC should be granted full rights of a party in this proceeding. The Commission directs KIUC to the Commission's July 22, 2021 Order in Case No. 2020-00085² regarding filings with the Commission.

IT IS HEREBY ORDERED that:

1. KIUC's motion to intervene is granted.
2. KIUC is entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. KIUC shall comply with all provisions of the Commission's regulations, 807 KAR 5:001, Section 8, related to the service and electronic filing of documents.
4. KIUC shall adhere to the procedural schedule set forth in the Commission's September 27, 2023 Order and as amended by subsequent Orders.
5. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of service of this Order, KIUC shall file a written statement with the Commission that:
 - a. Certifies that it, or its agent, possesses the facilities to receive electronic transmissions; and
 - b. Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding shall be served.

² Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).
