de e router sension of the sublic tervice demodesten of the tervice, bold at traditiont, founding, on the 19th day of demany, 1935.

in the matter of classification of accounts for pipe ) Annual Cont. Inc. compenses ) Out A far. 4

the Commission, pursuant to the authority vested in it by Subsection (i) of Section 4 of the Public Service Commission Act, decaing it advisable to have all pipe line companies operating in the Commonwealth of Montucky to heap a classification of accounts, and after due consideration thereof, adopte the classification of accounts prescribed by the Interstate Commerce Commission, which classification of accounts was adopted by the Interstate Commerce Commission by order of December 22, 1914, and is more specifically known as a "classification of investment in pipe lines, pipe line operating revenues, and pipe operating expanses of carriers by pipe lines."

All amandments to the above mentioned classification which may from time to time be issued by the Interstate Commerce Commission are to become a part of the classification without further order from this Commission.

The Commission also adopts the regulations governing the destruction of records of carriers by pipe line prescribed by the interstate Commerce Commission and orders all carriers by pipe line under its jurisdiction to maintain records in accordance with such regulations.
