

A meeting of the Public Service Commission was held on this date; present: Chairman Charles E. Whittle and Commissioners Jesse K. Lewis and Cass R. Walden.

IN THE MATTER OF THE AMENDED ORDER ON)
ASSESSMENT FOR MAINTENANCE OF THE COMMISSION) ADMINISTRATIVE CASE # 53
FOR THE FISCAL YEAR 1946-1947)

AMENDED ORDER

It appears that on May 29, 1946, the Public Service Commission of Kentucky, in accordance with K.R.S. 278.130, assessed upon all utilities operating within the State and subject to the jurisdiction of the Public Service Commission a sum in the amount of \$100,000, based upon said utilities' gross revenues for the calendar year ending December 31, 1945, for the maintenance of said Commission for the Fiscal Year ending June 30, 1947.

The Cincinnati, Newport and Covington Railway Company, a utility operating within the State of Kentucky and subject to the Commission's jurisdiction, filed with the Commission its "report of gross operating revenues derived from Intra-Kentucky business for the year ending December 31, 1945", said revenues being in the amount of \$751,441.55, and its portion of the above assessment, or \$1,023.91, was based upon said revenues as reported. Subsequently, the Cincinnati, Newport and Covington Railway Company filed on June 28, 1946, an amended report setting out the fact that \$255,795.55 of revenues formerly reported

accrued from their gas bus utility operations over which this Commission had no jurisdiction, and asked that they be relieved from assessment upon said amount.

The Commission after consideration of the amended report, and being advised, is of the opinion that inasmuch as revenues from gas bus operations were included through error, it would only assess said Company upon its gross revenues derived from electric railway and trolley coach operations in the amount of \$495,646.

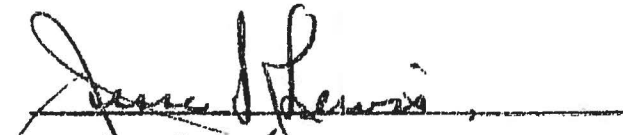

IT IS THEREFORE ORDERED That the official assessment made by this Commission on May 29, 1946, for the Fiscal Year 1946-1947 be and it hereby is amended so as to assess \$99,651.45 rather than \$100,000 as set out in the original order.

IT IS FURTHER ORDERED That the official assessment made against the Cincinnati, Newport and Covington Railway Company be and it hereby is amended to assess only \$675.36 in lieu of \$1,023.91 as set out in this Commission's original assessment order of May 29, 1946.

Done at Frankfort, Kentucky, this July 17, 1946.
