Re: Petition of BellSouth Telecommunications, Inc. for the Establishment of a New
Performance Plan
PSC 2004-00391

Dear Ms. O'Donnell:

In accordance with this Commission's Orders of June 20, 2005 and April 26, 2005,¹ BellSouth hereby files in the above-captioned case the Georgia Commission's June 23, 2005, Order Adopting Hearing Officer's Recommended Order. The Georgia Commission decision modified the Georgia plan by accepting and adopting a Stipulation reached between BellSouth and the members of the CLEC Coalition. The Stipulation provided that:

1. All DSO wholesale platform circuits provided by BellSouth to a CLEC pursuant to a commercial agreement shall be removed from the SQM Reports, Tier 1 payments, and Tier 2 payments, starting with May 2005 data.
2. The removal, of DSO wholesale circuits as specified above will occur region-wide.
3. All parties to this docket reserve the right to make any arguments regarding the removal of any items other than the DSO wholesale platform circuits from SQM/SEEMs in Docket No. 19342-U [the Change of Law Generic Proceeding] to the extent specified in the approved issues list.

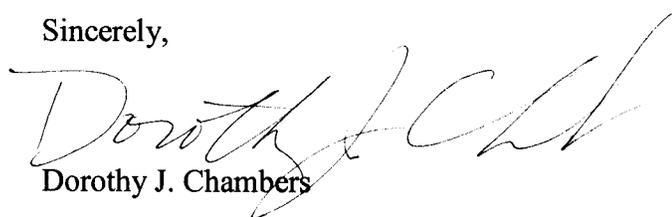

The Georgia decision was issued in Docket Nos. 7892-U and 8354-U.

¹ This Commission's April 26, 2005 Order provided that, should BellSouth determine it did not wish to pursue a Kentucky-specific plan, it should so advise the Commission and also notify the Commission of its intent to continue with the Georgia Performance Plan, including any future modifications made by the Georgia Commission. By letter dated May 26, 2005, BellSouth so notified this Commission of its intent to withdraw the Kentucky-specific plan and continue with the Georgia plan, including any future modifications made by the Georgia Commission. By Order dated June 20, 2005, this Commission granted BellSouth's motion to withdraw its application for a Kentucky-specific performance plan and to continue to operate under the Georgia Performance Plan, as previously ordered.
