Re: Case No. 2002-00149
EnviroPower, LLC

Dear Gentlemen:

The Kentucky State Board on Electrical Generation and Transmission Siting is in receipt of your June 14, 2002, letter concerning the application of Kentucky Mountain Power, LLC and EnviroPower, LLC for a merchant power plant construction certificate in Knott County, Kentucky. The letter has been placed in the official case file of this proceeding and the Siting Board will carefully analyze this application before rendering its final decision.

Your correspondence is being treated as an official protest letter. If you wish to participate further in the proceeding, you must request, in writing, "full intervention" with the Siting Board no later than July 15, 2002. Furthermore, as the Siting Board does not always schedule a hearing in a case of this nature, if a hearing is desired, it must be requested in the reply.

Once again, thank you for your interest and concern.

Sincerely yours,

Stephanie Bell
Secretary of the Commission
