Kentucky Pioneer Integrated Gasification
Combined Cycle Demonstration Project
Draft Environmental Impact Statement
U.S. Department of Energy
National Energy Technology Laboratory

Written Comment Form
Must be received by January 4, 2002.

I AM AGAINST BURNING WASTE AND
POLLUTING THE AIR.

Michael Gulick

Comment No. 1
Comment noted.

Issue Code: 16

Comment No. 2

Issue Code: 06

Comment noted. Incremental ambient air quality impacts from the project would be a very small fraction of the relevant federal and state ambient air quality standards (less than 1 percent of the standards for gaseous pollutants and less than 4 percent of the standards for PM₁₀). Table 5.7-4 of the EIS identifies estimated maximum downwind concentrations of hazardous pollutants expected to be emitted by the proposed facility and the associated maximum lifetime cancer risks.

Please use other side if more space is needed.
