Regarding Local Circuit Switching for DS1 Enterprise Customers  
PSC 2003-00347**

Dear Jonathon:

This is a follow-up to the request Glenda Roby in my office made on Friday, November 21, 2003, for you to provide a copy of any and all data your witnesses relied upon in support of the testimony SouthEast Telephone filed on Friday afternoon. BellSouth has not received a response to this e-mail message (copy attached), so I am sending this letter to confirm BellSouth's request. If there is any back-up data your witnesses relied upon, please consider this a request to produce that data before tomorrow's hearing.

Thank you for your anticipated cooperation.

Very truly yours,

Dorothy J. Chambers
