Ms. Beth O'Donnell
Executive Director
Kentucky Public Service Commission
211 Sower Boulevard
P.O. Box 615
Frankfort, KY 40602-0615

Dear Ms. O'Donnell

Clark Energy is submitting an Application for a Certificate of Convenience and Necessity to construct distribution facilities according to our new four-year construction work plan program. The Application and all supporting documentation is being filed using the procedures and guidelines of the Commission's electronic filing initiative. Commission staff has assigned our Application to Case No. 2007-00181. The Application and all supporting materials filed electronically in connection with Case No. 2007-00181 are a true, accurate and complete representation of the original documents.

This transmittal letter and all supporting documents will be uploaded to the Commission Web site per the electronic filing procedures and guidelines as revised 05/02/06. A copy of the electronic filing confirmation will be attached to the required paper copy and delivered to the Commission.

Please contact Todd Peyton, Manager of Engineering Services, at Clark Energy should you have any questions or need additional information.

Respectfully,

A handwritten signature in black ink, appearing to read "Paul G. Embs".
